

A glass jar with a metal clasp lid is filled with a chunky, orange-colored jam. A wooden spoon is tucked into the jar. The jar sits on a rustic, cracked wooden surface. Surrounding the jar are several fresh, ripe tomatoes with their green stems, and a sprig of fresh green mint leaves. The lighting is warm and natural, highlighting the textures of the jam, wood, and tomatoes.

Why it doesn't
always have to be
JAM tomorrow...

Persimmons from Canada, China and Japan are full of Vitamin A which helps support the immune system – essential for keeping everything well maintained and balanced.

For the six million households in the UK now labelled as ‘JAMs’ - Just About Managing to balance the finances - this is often not the case.

With a little support from their employers, though, life could be a little sweeter for your employees who work hard but still struggle to make ends meet. From cash and dental plans to flex and hybrid health schemes, we give you five top tips for supporting JAM employees.
